

23rd April 2020

Dear Parents,

I hope that you and your families are all keeping well.

I had hoped that by now we would have been in a position to organise the distribution of books to all of our families. Unfortunately, this is not possible at the moment under the current restrictions. I know that many of you are having difficulties with internet access and the availability of devices in your homes. Please do not worry if you are not in a position to complete the work suggested by your child's class teacher or learning support teacher. Your child will catch up on work when school resumes. Encourage your child to do a little reading, to do a little exercise (within 2km of home), to make jigsaws, play board games, draw a picture, keep a diary with short daily entries or even make up a quiz for the family! We know that your children are missing their friends and their school routine and that this is a difficult time for them and for you.

I am hopeful that very soon I will have better news for you. Please know that we as a staff are all thinking of you and that we miss all of the children very much. We need to continue to be patient for the safety of everyone. I will communicate with you again on the distribution of books as soon as possible.

Take care of yourselves and stay well.

Kind regards,

Ann Murphy
